Harlan J. Berk, Ltd. has presented an innovation in antiquities and numismatics for some time now. The system is simple. When you want an antiquity or coin in the sale, just bid the estimated price by phone or mail. We will send you the antiquity or coin immediately. No waiting for the closing of the sale. Any and all antiquities or coins not sold before the closing date will be sent to the highest bidder on August 4, 1992.

EXAMPLE—You bid estimate on an item valued at \$100.00 and if your bid is the 1st to reach us, you will receive the item immediately. If on the other hand, you bid \$75.00 on the same item and are still the high bidder at the end of the sale, the item will be mailed to you on the closing date, August 4, 1992.

If you are ever in the area, stop in and see us! Of course, it's best to call first.
